"As a rule of thumb, a million dollars of private investment will do more good than a million dollars of government program."

West Point, Miss., Daily Times Leader

WHAT IS A "LEGITIMATE BUSINESS EXPENSE"?

It is a "legitimate business expense," deductible for income tax purposes, for a company to advertise its product or service in the hope of inducing consumers to buy. This, obviously, is necessary if an enterprise is to survive in our highly competitive age.

But it is not a "legitimate business expense" for a company to advertise in the hope of preventing itself from being destroyed by socialistic government.

This, in essence, is the ruling of the Federal Power Commission and the Internal Revenue Service in the case of business-managed utility companies which have used advertising to oppose socialization of their industry. The federal agencies have held that the ads deal with political rather than business or economic problems. Hence, they say, the cost is not deductible. Inasmuch as corporation taxes are now 52 per cent on a business of any size, this means that the utilities cannot present their side of a life-or-death controversy save at heavy tax penalty.

A proposed Congressional Bill—the Boggs bill—would give business the right to conduct campaigns, through advertising and in other established ways, which have the purpose of favoring or opposing legislation and related problems and to carry the most as a legitimate business expense. If Congress has any regard for fundamental rights and liberties, it will pass bill for relief.

Christmas Seal Campaign Begins

Some 70,000 Christmas Seal letters are being delivered to Palm Beach County residents at the 54th Annual Christmas Seal Campaign began November 14. Campaign gets underway according to Mrs. Stanley Gri-Campaign Chairman of the Palm Beach County Tuberculosis and Health Association.

"I hope all who received Christmas Seals will respond generously, since this provides the sole support of the Tuberculosis and Health Association's year-round TB prevention and control program," Mrs. Grimal said.

"TB struck 95 Palm Beach County people for the first time last year as some 600 TB patients are now under medical supervision here. If movement rack is to be found and treated, the disease could be controlled. Case finding is one of the important services Christmas Seals help to finance," Mrs. Grimal continued.

Better Business Division Says...

Better Business Division says: the crooks, schemers and the unethical have a rather curious habit of resorting to their old tricks after a period of time following the passing of the law. They do this in the face of the belief that the BBD relaxes their vigil on certain fields of business once they have been exposed.

There is a definite indication that the same old dogs in the employ of the BBD are going back to their old ways. Your best bet is to deal with your fellow Chamber members. Magazine crews are back again with their usual untruthful pitches. Unethical practices in television repair is beginning to rear its ugly head, and the movement rack is in full bloom.

In any case, your BBD can help you and your employees avoid unhappy and costly experiences by merely calling first to ascertain the reliability and business integrity of a firm before actually engaging in a transaction with them.

CARD OF THANKS

To Dr. Brown, Mr. and Mrs. E. F. Saunders and the entire nursing staff of Belle Glade Memorial Hospital, I want to say thank you again for the excellent care I received during my recent illness. Your thoughtfulness and kindness will always be remembered. And to the wonderful friends for the beautiful flowers, gifts, cards and visits and most of all for your love and prayers. God love and bless each one of you in my prayer.

Mrs. J. K. (Agnes) Baker

Girl Scout Troop 264 of 29 girls enjoyed an outing. They held the Girl Scout Hut at 8:30 carrying their dunk bags on the hike to the dike. On the way they played games and sang songs.

On reaching the dike they were divided into three patrols. Each patrol started their camp fires and cooked their own meals. Later they enjoyed sampling each other's food. They also made lines on which to hang their dunk bags and soaped the outside of their cooking utensils in order to wash them easier.

Mrs. Margie Hayes, leader, or Mrs. James McGee assistant leader helped with the girls. Mrs. Charles Hortensine and Mrs. Taylor trailed them on the hike just in case they needed help. Ben Geiger transported all the food to the place they camped and Mrs. Taylor and Mrs. Doug Thompson took them home.

Four members of Girl Scout Troop 132 took off on a bicycle ride to Pahokee in order to earn a Girl Scout Badge. They carried their lunch along and had a tireless but safe ride. Girls making the trip were Alice Rashley, Ann Williams, Lydia Long, and Patricia Hodges.

Mrs. W. W. Ziglar and Mrs. Wall's Brownie Troop had a Thanksgiving party Saturday, Nov. 19, at the Girl Scout hut from 10 to 11 a. m. The girls played games and had refreshments. The scout hut was decorated with pictures of turkeys and pumpkins made by the Girl Scouts. They also made invitations in the shape of turkeys for each guest they invited.

Members present were Kay Boree Joe Ann Ellis, Sue Gilbert Maravalia, Gaudelupe Vanda Hansford, Beverly Hill, Jessi Livingston, Melissa Maynor, Linda Reeves, Jennifer Smith, Mary Tenet, Deborah Thomas, Diane Wall, Nancy Wierenga, Jean Wolf, Cathy Carlton, Nancy Henley, Jean Leavitt, Linda Sue Ziglar, and each girl's guests.

PBC 4-H Club Council Signs Welcome Visitors

REPRESENTING THE GLADES 4-H Clubs in Palm Beach County at one of the 4-H Clubs welcome signs at the Martin-Palm Beach County line are (l-r) Martha Gurganous, president, Lake Harbor Club; Sharon Roberts, president, South Bay Club; Ann Murray, Girls County Council vice-pres., and president of Belle Glade Teenage Club; Janette Harrington, Girls County Council president; Freddy McKee, president, Canal Point Girls Club; Gale Reeves, president, Canal Point Girls Club; Mike Mansfield, President, South Bay Boys Club.

The Palm Beach County 4-H Club Council has erected on the roads bordering the county, nine 4-H welcome signs. Some of the 4-H Clubs contributing to this project are Central Junior High of West Palm Beach, Belle Glade Teenage, South Bay Boys and Girls, and the County Council. This was one of the objectives of the Council which they attained this year.

The County Road Department cooperated with the Council in erecting these signs so that they would be in place prior to the convention of the National Association of County Agricultural agents, held in Miami, October 30 to November 3. It was also felt that these signs would let visitors know that Palm Beach County has an active 4-H Club Council.

Your Library

"Think of it!" exclaims Garth Cate, "the humblest person, a child, a man groping his way up the mountain of knowledge, can walk into a library and find, indeed, the 'lords of thought'—a vast library of knowledge."

The Venus of Kompara by John Masters. In this novel, John Masters returns to Victorian India, scene of many of his widely read and acclaimed stories. This is a moving and exciting tale of a jungle search for ancient Indian statue and the powerful effect the search has on the six people caught up in this archaeological adventure.

For each of them the lost statue of Venus comes to mean something personal, significant of good or evil, hope or despair. As the search for the statue continues, other forces emerge. The villagers of Kompara have their own reasons for preventing the search, and when two men eating tigers appear in the area and one of the six disappears, events move to a dramatic climax. A wonderfully readable novel from a masterful storyteller—review by Mrs. Ruth Clemons.

If No Fla. License There's No GA License

Commander Kirkman has completed arrangements with the Georgia authorities for an exchange of information on applicants for driver's licenses in the two states, especially of those who move from one state to the other.

If you run afoul of the laws of either state about operating your car, you'll have to go to Cuba to get one, or other foreign places.

Baptist Junior Dept. Teachers And Workers Hold Monthly Meeting

Monthly Teachers' and Workers' meeting for both Junior Departments of the First Baptist Church Sunday School was held at the home of Mr. and Mrs. Chris Figueroa Monday night.

Subject for the program was "Your Part in God's Miracle of Winning Juniors to Christ" which was presented by the Teacher's of the 11 and 12 year Juniors. Dr. Hill, pastor, spoke to the group and closed the program with a benediction.

Additional information and help on "Testing our Teachers" were given each worker for study.

The two department workers then divided into two groups for further discussion and plans of visitation, Christmas programs and activities for preparation of a more successful Sunday School program in the department.

Quick And Efficient Investigation Brings Confession On Arson Charge

The two-story building on the corner of Avenue B, and Third Street S. W. was found with a blaze inside about 3:30 p. m. on Tuesday.

Chief Willis states that kerosene was puddled in several places on the first floor around the building. The gasoline was spilled from the kerosene puddle downstairs to a point near a door where the fire quickly was set. As the floor is of asphalt tile, only a smoky streak was left on it.

Sergeant Lowery took a discolored wine bottle which was found in the building. The bottle was recently and fingerprint specialist George Farnall developed latent prints and classified them.

Comparison of the prints on the bottle with filed prints of past guests of the City Jail disclosed that the fingerprints of Carl Victory and those on the bottle were the same. Victory was brought in by Sgt. Lowery after the prints were questioned. He admitted his participation.

His story is that another person in the building asked him to help burn the building down. He further stated that he had been questioned by him in the final distribution of white gas to connect up with the damage previously sprinkled about by him.

The County Solicitor's office reports that a second man has been arrested and is being held in the County Jail.

Wildlife Area Will Close January 8

Hunting season on the 97,000 acre J. W. Corbett Wildlife Management Area opened November 19th and will close January 8th, according to F. K. Jones, Hunt Director, Game and Fresh Water Fish Commission.

The following is a partial list of the 1960-61 Hunt Regulations for the J. W. Corbett Wildlife Management Area. A complete set of 1960-61 Hunting Regulations can be obtained at the checking stations on this area or at the Game and Fresh Water Fish Commission Regional Office in West Palm Beach, Jones said.

1. Legal game and bag limits: Hunting seasons and bag limits are the same as for the Fourth District except hogs are legal game, with a season's bag limit of two (2) per hunter.

2. A public hunting area permit, in addition to the regular license requirements, is necessary for any person to hunt on the J. W. Corbett Wildlife Management Area. This permit can be obtained from any county judge or his designated agents.

3. Guns and dogs are allowed only during the open season designated for the area.

4. No fires, other camp fires, shall be started. Persons starting woods fires or forest fires are liable to prosecution.

5. Dogs must have a collar with name and address of owner attached. Dogs that are found in the refuge or area running loose will be picked up and impounded by Wildlife Officer's.

6. The use of rifles is prohibited.

7. Camp structures must be removed from the area within one day after the closing of this managed hunt.

8. Parking of vehicles on grade roads is prohibited.

Jones concluded that this hunt is made possible through the cooperation of Indian Trail Ranch, Inc., and the Florida Game and Fresh Water Fish Commission.

Rams Victorious In Trophy Competition For 2nd Year Over Blue Devils

By Butterball

With the score tied and five seconds left in the game, Clarence Throop kicked a fifteen yard field goal to win the game for Belle Glade 10 to 7 in the annual play for the Bill Young Memorial Trophy.

The Trophy stands now eight wins each and one tie each.

where possession of the Trophy was kept by the team then in possession — an all-even situation.

Throop's kick is one of an all-time record of three in the Suncoast Conference, it is reported, and the only one in the conference since '57.

In the opening kick-off Pahokee received and was forced in punt formation. Frank Kruse, who had been doing this stunt all year broke through to block the punt. Calvin Peacock recovered and scooted to the Pahokee one-yard line from the ten.

After losing ground back to the ten, quarterback John passed to Tim Bass at the two-yard stripe. Roger Walker took John Bass' pass in the end zone for the touchdown. Tim Bass went over for the P. A. T.

In the second half the Rams took the kickoff and drove 54

yards to the Blue Devil's six, but bogged down when the bread-and-butter plays were discarded for fancy. The Blue Devil moved the ball to their thirty, and after changing hands a few times, Pahokee unleashed an air attack for five completions plus one from the ten yard line by Quarterback Danny Padgett to end Curtis Russom for six points. Douglas walked over for the one-point P. A. T.

When there were only four minutes left in the game, the Rams took the kick-off on their 36 and picked up a first down before fumbling on the Pahokee forty. The Blue Devils sneaked a win, but after two tries they lost by a pass interception by John Bass who ran the ball back 15 yards to the Pahokee thirty. In four plays the Rams moved the ball to the fifty-yard line of the Blue Devils.

With only five seconds left Coach Maynor sent Throop in with instructions to kick a field goal and Clarence did just that to win the game by the three point margin.

The Rams finished the season with a four-six record, and a reputation as a defensive team. As always in a Pahokee-Belle Glade game anything can happen, and it did.

Except for penalties against Belle Glade for "illegal use of hands," which is a technical term rather than a penalty for unnecessary roughness or a personal foul, the game was hard.

Generous applause for both teams from both sides of the field—and it was well deserved—displayed a spirit of friendly rivalry that was not shown by many big-time college teams throughout the country.

When the Pahokee boys took to the air, they raised themselves from the class of Suncoast League to that of a higher class for Belle Glade's players were tackling this air and looking for the ball where it wasn't.
